SMART IRB

Start-up Package for NIH Grant Preparation

For study teams and other personnel involved in the grant preparation process.

WHEN TO USE? WHEN YOU ARE…	WHAT?	WHY?
GETTING STARTED WITH THE SINGLE IRB REQUIREMENT FOR NIH GRANTS	Grant Submission and Review Guidance	Understand how the NIH Single IRB Policy changes the processes for funding applications.
PUTTING TOGETHER A STUDY BUDGET	Fees and Costing Models under NIH sIRB Policy	Although geared towards IRBs, this document may also help institutions anticipate fees for Single IRB review and address them in funding application budgets.
CREATING A SINGLE IRB PLAN FOR A GRANT APPLICATION	Grant Applications, Template Description of SMART IRB	Researchers and institutions may adapt this language for federal grant applications to describe their use of SMART IRB.
	SMART IRB Participating Institutions List	Identify which institutions have joined the SMART IRB Agreement.
	IRB Support Letter Model Language	IRBs/HRPPs may adopt this language to provide a letter of support for grant applications.
